AMEND Senate Bill No. 2449

House Bill No. 2315*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 49-1-608, is amended by redesignating the current language as subsection (a) and by adding the following as new subsection (b):

(b) A student must have been present for one hundred fifty (150) days of classroom instruction per year or seventy-five (75) days of classroom instruction per semester before that student's record on a subject matter test in grades nine through twelve (9-12) is attributable to a specific teacher. The classroom instruction requirements of this section shall be based on attendance before and including the day the test is administered. For the purposes of this section, "present for classroom instruction" means physically present in the teacher's classroom for the majority of the instructional period on the subject tested. Nothing in this subsection (b) shall prevent a student's record on a subject matter test from being attributed to the school or LEA in which the student is enrolled.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
